

Big Brothers Big Sisters Dancing for the Stars 2024

“Since 1904, Big Brothers Big Sisters has operated under the belief that inherent in every child is incredible potential. As the nation’s largest donor – and volunteer – supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”), ages 5 through young adulthood in communities across the country. We develop positive relationships that have a direct and lasting effect on the lives of young people.” – Big Brothers Big Sisters.

Meet Moriah Williams from our Jobs Team! This year she was asked to compete in the Dancing for the Stars Competition, the biggest fundraiser of the year for our local Big Brothers Big Sisters Market where she will compete for Judge’s Choice and People’s Choice Awards against 9 other teams.

The Chamber could not be happier to be participating in this fantastic community event. We hope that you make plans to attend the night of fun planned for February 9th. As this competition is a fundraiser, after all, we would love your support!
